

Barnstable Youth Soccer Association Sponsorship Application

The mission of the Barnstable Youth Soccer Association (BYSA) Sponsorship Program is to provide our youth the opportunity to involve themselves in a superb socio-athletic program while maintaining an affordable cost to the participating families. Additionally, the sponsorship program works to introduce our sponsoring partners to the BYSA membership.

Each year Barnstable Youth Soccer provides the opportunity for over 500 children in the greater Barnstable community to participate in the largest sport in the world. From the age of 5 through 18, from the aspiring novice to the skilled veteran, our youth are engaged in a constructive environment that promotes self-confidence, good sportsmanship, teamwork and commitment.

The organization is run by a dedicated group of volunteers who work tirelessly to provide top-shelf programs, be it the intra-town instructional league or the inter-town competitive travel league. Coaches are volunteers as well, many being parents of participants yet many more being parents of past participants who continue to dedicate their time to a worthy cause.

Participant fees cover the cost of equipment, uniforms and league operational expenses such as referees. Those fees do not, however, cover the larger expenses such as the renting of gymnasium space, the leasing of fields and field maintenance. Every dollar raised via the BYSA Sponsorship Program is used to offset these ever-increasing costs. As such, the generous support of our sponsors is essential, if BYSA is to continue its mission.

The Barnstable Youth Soccer Association hopes you will consider supporting our efforts by becoming a sponsor as delineated below.
